

ENDURO™

For Pools and Spas

Premium performance. Exceptional value.

POOL AND SPA PUMPS

Economical, low noise pumps for pools, spas and solar systems

Enduro Pump

Economical and quiet

Economical Enduro pumps are ideal for inground or above ground swimming pools, spas and solar systems.

Features on all models

- Low noise operation
- Low running cost – achieved by precisely matched pump motor design
- Weatherproof construction to strict IP44 electrical standard ensures safe operation
- Stainless Steel shaft
- Stainless Steel assembly nuts and bolts
- High flow and pressure capabilities mean efficient filtration and vacuum cleaning
- Electrically double insulated and inbuilt automatic thermal overload device for extra safety
- Easy installation and service
 - threaded inlet
 - self aligning unions
 - discharge port can be easily positioned at top or side of pump body providing optional piping configurations

Strainer pot model features

- Large see-through lid
- Large strong, rigid strainer basket
- Excellent self-priming ability

Shipping Specifications

With Strainer Pot

Carton Size 325mm x 240mm x 710mm
Weight 14.5KG

Without Strainer Pot

Carton Size 270mm x 240mm x 530mm
Weight 13.5KG
